Member Assistance Program New York and Pennsylvania Energy Assistance Guide October 2018 - August 2019

UFCW Local 1262 is providing this MAP Energy Assistance Guide as a resource for our members and their families. The Guide contains information on the many services and programs available to them at the federal, state and local level.

The information contained in this Guide is the most current and accurate as of the publication date. Please keep in mind, however, that especially in the current economic climate, some of the programs listed here may change their eligibility or other requirements.

On behalf of Local 1262's Officers, Executive Board and Staff, we hope you find this information helpful as we work together to support our members and their families - - on and off the job.

Fraternally,
Harvey Whille
