

## Remote Learning Resources for Parents While Schools are Closed during Covid 19

The American Federation of Teachers (AFT) and the AFL-CIO have partnered to provide families with [helpful lessons and tools](#) for kids in pre-K through 12th grades now learning at home and coping with COVID-19 pandemic. With schools closed, some for the remainder of the year, families are learning how to support students' distance learning and be co-partners with their teachers and school staff while also juggling work and other responsibilities.
