

# **THE UNITED FOOD AND COMMERCIAL WORKERS UNION**

**RECOGNIZE OUR MEMBERS  
ON THIS**

**TUESDAY, APRIL 28, 2020**

The United Food & Commercial Workers Unions thank and salute all of our UFCW members, especially Food Store Workers who keep the food supply chain operative and make daily sacrifices to assure the public they will have food for their family table. Our Food Store Workers are among the heroes holding the moral fiber of this country together during this terrible scourge.

To those fallen, we owe a debt of gratitude we can never repay. Our prayers and best wishes go out for a swift and full recovery for those ill. We extend our deepest condolences to the families and friends of those who we have lost.

We implore our members to continue to work smartly and safely, and please remember you are an inspiration to all who are a part of our great Union.
